We are pleased to inform you that Kadi International Co. is a full service educational consulting company, operating as an agent for a substantial number of distinguished foreign colleges and universities mainly in UAE, USA, UK, Australia, Malaysia, New Zealand and Canada.
Being a young country, Iran’s population comprises of 60% youth. According to official statistics, in the year 2001, only 315,000 students out of 3,200,000 university applicants were accepted to pursue their higher education. This figure will reach 17,000,000 by the year 2005. Considering the incapacity of Iranian universities to cater for such high number of students, there has always been an urgent demand to enroll in educational institutions overseas. In response to the need of assisting the university applicants, we started our activities in 1997 with enrolling 250 students in universities abroad, which had increased to 5000 by the end of the year 2002. Our main task is recruiting applicants to receive higher education abroad as well as supplying them with relevant information and sponsorship. Furthermore, we offer our assistance to evaluate their academic qualifications, Acquiring visas, and registration for TOEFL,IELTS, GRE, GMAT and other required exams by their university of interest. We are also in the process of acquiring academic approvals and recognition from Ministry of Sciences, Researches and Technology accrediting universities we represent. In fact, the graduates from these universities will be able to enter Iranian business market easily. We have An extensive network of advertising, distribution of brochures and catalogues of academic institutions that we represent, introducing them through a series of seminars, and providing efficient and timely services, which has enabled us to win the public's trust and attract about 5000 Iranian students to study in various programs in the last four years abroad
