

Kadi International, Canadian Mid-East Academic, Malaysia Mid-East and Canada 2000 are one of the best Multi – Nationals companies which have registered office in Iran, UAE, UK, Canada Malaysia and New Zealand, each of them, has almost four office in each countries. They have 14 years background in Education field. These are the only ones companies in Iran, UAE and Canada which are the official presents of many Universities and Colleges of America, UK, UAE, Australia, Canada, Swaziland and Malaysia. Many Student apply via these Companies and now they are studying there or have been gradated and we have many families which have been succssued in getting visa cause they are many companies have which are not succed in getting visa.

These companies as the official presents of famous colleges, schools and universities do all the necessary affairs.

The only important things is these companies suggested the first branches of International's universities in open-are zooms in Iran and now we have intensive English courses in Iran, UAE, Malaysia and UK.

Also these companies have the first fair and educational cultural seminars in these countries and the other things from thses companies is registering students between 5 to 18 to boarding schools in UK, UAE, Switzerland and Malaysia, also we have more in formation's in our site.
